## IMPORTANT PROVISIONS OF PLANT PEST ACT OF 1937

*Nursery Stock Includes:* All trees, shrubs, brambles, woody vines, and woody florist stock, their roots, cuttings, grafts, scions, buds, fruit pits and other seeds, and parts thereof, for propagation; herbaceous perennials and other plants and plant products for propagation as ornamentals.

*Every Dealer* located either within or without the state, engaged in or about to engage in selling or soliciting orders for nursery stock within this State, shall secure a dealer's certificate by furnishing a sworn affidavit that he will buy and sell only stock which has been duly inspected and certified by an official State or Federal inspector, and he shall furnish the inspector on demand a list of all sources from which he secures his stock.

*Each Person* who shall engage in the selling, delivering or transporting of nursery stock in the State is hereby required to attach, on the outside of each package, box, bale, truckload or carload lot sold or delivered, a tag or poster on which shall appear an exact printed copy of his valid certificate. The use of tags or posters bearing an invalid or altered certificate and the misuse of any valid certificate tag is hereby prohibited.
